THE RAINBOWETTES

A group which brings much honor to our school and to our music department under the direction of Harry Burgess. Mr. Burgess, in his first year at Strawn, has brought excitement and enthusiasm to the department and has made the Rainbowettes one of the outstanding musical groups in the county.

The Rainbowettes have been a very active and very select group in our school for a number of years. It is indeed gratifying to have them again appearing before numerous church and civic groups, representing our school and themselves so outstandingly.

Each year try outs are held, and the director chooses nine girls, three first sopranos, three second sopranos, and three altos. In their shell pink and burgundy dresses, the girls present a visual as well as an auditory harmony which delights their many audiences.

A fairly new organization organized in 1962, is the Akarta Chapter of the National Honor Society. Being a member of this distinguished group is recognized as one of the highest honors that any high school student may receive. To become a member one must have these requisites: good scholarship, fine character, and an aptitude for leadership and service to others.

Selection as a member of the Honor Society puts the person in a spotlight. The member cannot allow his membership to stand only as an honor. A certain responsibility to improve as well as maintain the qualities for which the student was admitted separates and puts Honor Society a step above various other honors which sometimes bring only popularity to the recipient.

Scholarship seems to be the most important requirement since good grades are easily recognized. However, outstanding grades, or any of the other three requisites, separately, do not automatically place a student in Honor Society. Scholarship not only implies good grades, but also shows an earnest effort to learn and search for solutions.

A leader demonstrates an ability and willingness to guide others to success. A pleasing personality does not necessarily generate leadership. A true leader's knowledge is set forth for the prosperity of mankind. Service is found in loving our neighbor as ourselves.

Members discuss, during monthly meetings, the problems of our ever-changing society, and try to improve conditions in our neighborhood. Projects include food and clothing collection for needy families, Cancer and Heart Fund work, and helping with entertainment at the State Hospital.

Straughlin's cross country team made it another successful season this year by registering nine victories and only dropping three decisions in the regular season. Eddie Miller led the team effort by going undefeated during the regular campaign. An ankle injury to Eddie greatly hampered the team in its efforts in the Blue River Valley Conference Invitational and Sectional, but the team still managed a good showing of its abilities. The team was coached by Robert Crowe, and Gary Shafer was the team's captain.

PROM QUEEN 1968

ONLY THE CAMERA CAPTURES THE TRUTH

I never seen what it was like
 with a girl, but it was
 good

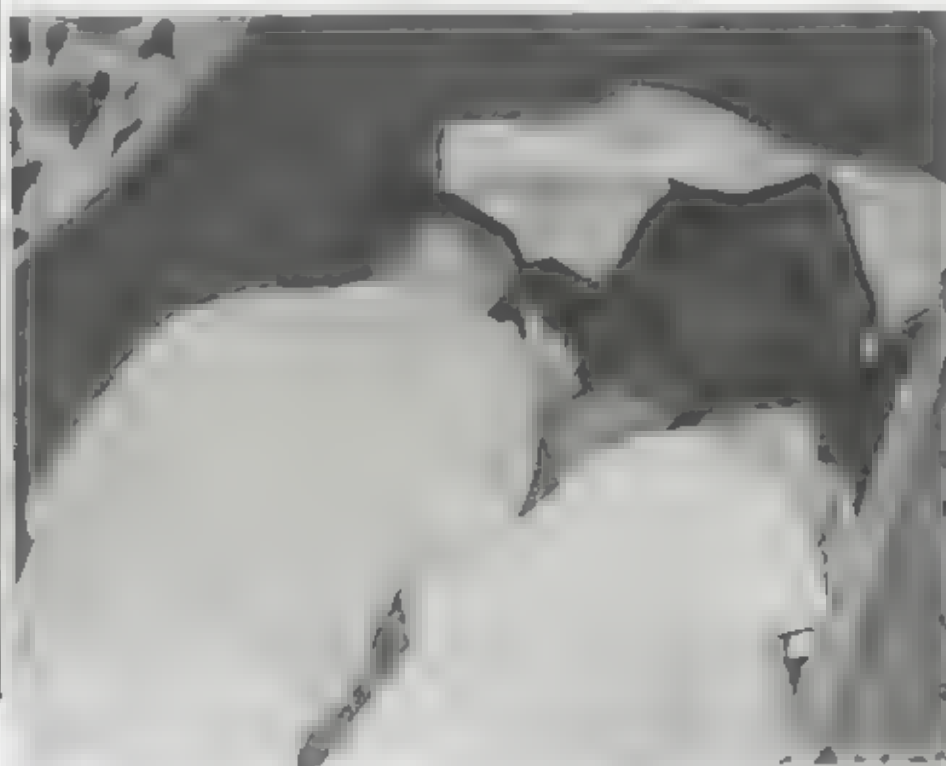

Don't be too close either

It is good. I really turns
 me on

What's
 it like?

After a few weeks before the big day

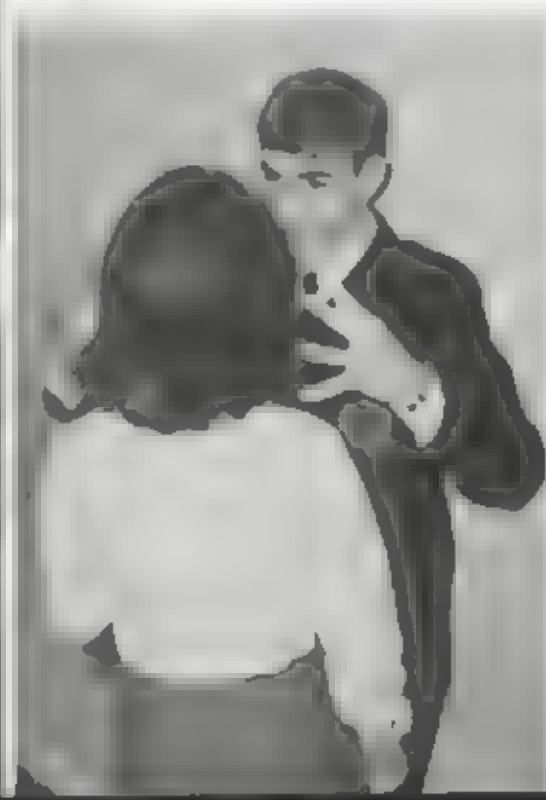

Getting ready for the show. Boys?

Don't worry, it'll be all right

And then I...

“‘TIL WE MEET AGAIN. . .”

The Warner left discovered that the first of yesterday was not the last. These pictures depict the anticipation of a fresh start and the excitement of a successful completion.

Pictured are Scott, Crystal Sawyer, Grace Edwards, Dick Barnett, Gary Seifer, Art Deebel, Esther Carr, Dennis Jones, Jackie Thomas, Linda Miller, Ronald Thomas, Jerry Crafton, Mrs. Watson, Linda Warner, and Barry Scott.

The staff sincerely hopes it is left to witness the end of a wonderful year and it does. Goodbye you will, every good way for the future.
